OFFICIAL WELCOME

Welcome to The Yacht Sales Co Sail Paradise, the premier sailing regatta for our city.

This event is a huge drawcard for families and provides sailing enthusiasts the chance to view the race flotilla up close at Southport Yacht Club throughout the three-day program.

In 2024, we have the Australian QLD Sailing Championships, building on the success of Sail Paradise over the past 14 years. Sailing is a fantastic sport and our city's yachting facilities have been upgraded to improve services and support across the marine industry. Southport Yacht Club is a fantastic host, welcoming crews and owners to Sail Paradise. I'm sure the banter at the bar is just as competitive as the on-water action!

When the competition is over, I encourage visitors to stay a little longer, party a little harder and soak up the magic of the coast. Let's set sail for The Yacht Sales Co Sail Paradise and Australian QLD Sailing Championships.

Tom Tate, Mayor of City of Gold Coast

On behalf of the Southport Yacht Club Board, Management, Staff, Members and Supporters we extend a warm welcome to all competitors in this year's Sail Paradise Regatta.

I would like to personally thank our sponsors Club Marine, Lion, Australian Sailing, Gold Coast Events and our Naming Right's sponsor The Yacht Sales Co for their generosity and support of this major yachting event.

For the second year in a row, Australian Sailing Queensland has entrusted us to incorporate the Queensland Yachting Championships into the Sail Paradise regatta. I would like to wish all competitors good luck, and fun, competitive sailing over the next three days. The weather forecast is looking great for some challenging racing in warm Queensland conditions.

I would also like to thank our volunteers, the racing committee headed up by Simon Turpin, and the Sail Paradise Committee who have given up countless hours of their time to ensure we host a successful and memorable regatta.

I look forward to catching up with many of you out on the water and to share a few yarns, as well as refreshments back at our clubhouse at the end of each day.

Commodore Glenn Burrell, Southport Yacht Club
