Technical Committee Notice

The intention is to inspect all yachts prior to the commencement of the IRC Australian Yachting Championships 2026.

Each yacht will have the sails, that they intend to use for the regatta, available to be inspection by the representative of the technical committee. Boats can only carry onboard while racing the maximum number of sails as per their certificate.

The inspection will include but not limited to, the following items:

- P band correctly in place on the mast and clearly visible
- E band correctly in place on the boom
- J, SPL and STL measurements as appropriate
- Rig is in the same configuration as per the certificate (backstays, runners and check stay etc)
- That the mainsail, largest headsail and spinnaker are listed on the nominated certificate
- The crew weight to not exceed 85kg multiplied by the Crew Number printed on the certificate
- Additional Special Regulations Category 4 spot checks

Inspections will be conducted from 10:20 until 17:00 on the 1st of October 2026 and 8:00 until 17:00 2nd October 2026.

Additional spot checks will be carried out during the regatta.
